

TAXMAN BREWING CO.

CELLARPERSON

Full Job Description:

The Cellarperson position is an introduction into beer production, receiving training and exposure to all brewery operations, including wort production, coldside operations, and packaging. This position is responsible for completing day-to-day tasks in the coldside (fermentation and packaging area).

Key Evaluation Metrics

- Execute cellar quality control and handle day-to-day cleaning & product transfer.
- Cross-train effectively on all brewhouse, cellar, and packaging operations.
- Promote a safe and productive working environment.

Key Responsibilities:

- Review production schedules and ensure coverage of all daily brewery responsibilities.
- Assist with review of raw materials needs for the brewery (grains, hops, etc.) and cellar (yeast, tank additions, etc.) consistently.
- Learn and adhere to company QA standards and controls (e.g. quantitative measures such as gravity/pH/dissolved oxygen and qualitative measures such as flavor/aroma profiles and off-flavors).
- Operate packaging equipment (keg washer/filler and canning line) and assist with packaging operations when necessary.
- Maintain good and competent records of all brewing activities to assist with all relevant federal, state, and local compliance requirements.
- Perform general brewery cleaning and maintenance, including tank & equipment Clean In Place (CIP), sanitizing, and all facility cleaning (including floors and drains).
- Maintain safe operation of forklifts, pallet jacks, and other stock maneuverability equipment once trained.
- Provide supplementary assistance on an as needed basis for the company such as draft system maintenance, shipment staging, off-site delivery, and cooler organization.
- Prepare materials for and attend assigned industry-related events (e.g. offsite festivals, onsite tours, etc.). Preparations including jockey box/draft line cleaning and the organization/return of all marketing materials.
- Provide support for roles such as inventory management, yeast management, maintenance, packaging line operation, and barrel cellar handling.

Hours: Typically 40 hours per week

Job Type: Full-time

Pay: \$15+ per hour, commensurate with experience

89 S. Baldwin St, Bargersville, IN 46106
